# Tabernacle Of David, Den Haag: CSR Initiative

As part of RCCG Christian Social Responsibilities and fulfilling the scriptures in Matthew 25:35-36, The Tabernacle Of David Den Haag has embarked on a number of projects to 'give back' to the society and bring the gospel of Jesus Closer to the people outside the church. Here are some of the projects (not all):

1. TOD Football Club
2. Covid relief packages & food bank
3. Out reach to Ghana (Orphanage & widows)
4. Out reach to India ( Prostitutes and converted Hindus and Mountain tribes)
5. Gift and Palliatives to needy members
6. BHV Certified National Emergency response Training
7. Leadership Training with International Business School of The Hague
8. Women Sports and indoor aerobics session

The Dutch society is very keen on relationships and will not listen to you if you do not develop a meaningful relationship. This activity has enabled the gospel to be preached outside the church and the numbers are increasing on the streets.
